Read God's Word:

Open God's Word to the text for the day. Read through the text, meditate on it, and ask:

- Is there a command to obey?
- Is there a promise to claim?
- Is there a sin to avoid?
- Is there a lesson to learn?
- Is there a truth to carry with me?

Some might want to journal what God says to you and what He tells you to do.

Community Group Agenda

One: Fellowship and Worship

(The goal of this time is to encourage authentic relationships.)

- During fellowship time ask the people around you, "Who is a model of Christ-likeness in your life?"
- Have a time of worship:
 - [Build My Life](#)
 - [Lyrics](#)

Two: Application of the Word

(The goal of this time is to help you apply what God is saying to you through His Word in the sermon and daily devotionals.)

- *Devotional:* On Thursday, September 6th, you read [Colossians 1:15-20](#). This passage says, "Jesus is the firstborn of all creation and by Him all things were created." What does it mean for Jesus to be the firstborn over creation?
- *Stories:*
 - I understand groups share their stories differently and some groups still talk about the sermon. I have provided some sermon questions below for those who will still like to discuss the sermon. However, please remember to complete all your stories by September 30th. You can click [here](#) to access resources on how to share your story.
 - How is God calling you to trust and obey Him now?
 - What makes it hard for you to trust God?
 - What do you see in this creation account that suggests God is worthy of trust?

Three: Prayer & Care

(The goal of this time is to make sure we take the time to pray.)

- Take some time tonight to gather around those who shared their story and pray for them.

Four: Ministry & Mission Planning

(The goal of this time is to ensure the group plans and participates in ministry and mission opportunities coordinated by the church.)

- Plan who will share their story next week. All stories should be completed by September 30th.

Family Discipleship

FAMILY ACTIVITY: As you are out and about this week, make a game of people watching. Each time you see a person say, "That person is important to God."

BABIES & TODDLERS

- God made everything.
- God loves and cares for the people He made.
- God made people to love Him and others.

PRESCHOOL

- How do we know each and every person is important to God?
- How did God make us like Him?
- How does God show His love for us?

KIDS

- What does it mean to be made "in the image of God"?
- How are people like God? How are we different?
- If everyone is created in God's image, how should we treat others?

STUDENTS

- What are some specific ways our family can reflect God in the way we take care of (steward) the world around us?
-
